Josephine DeVincenzi and Tim Rumph and Kim Folks spoke on the issue of the STAR AQUATIC CENTER.

Use Preservation Property for this center on Magee Street

4 people voiced their opinion as to not allow this center at the Magee Street Site.

I , Lorraine Duryea stated that I was in favor of an aquatic center but not fond of the location at the Magee street site.

Being that our CAC did not have a quorum to vote Yay or Nay , Julie Lofstadt recommended that we be given 2 weeks to get letters or comments by email to the own Board.

Diana Weir was our second guest speaker and she answered questions concerning affordable housing within the Town of Southampton. She clarified many concerns and misinformation that we had acquired and questions my members had for her.

Thank you all for attending and thank you to the Southampton Town Board members and Jay Schneiderman for allowing us to have an in person meeting utilizing the Town Hall.
