19 Firehouse Lane, Flanders

SEPTEMBER 26, 2021 11 am- 2 pm

CHILD
PASSENGER
SAFETY

Car seats and boosters provide protection for infants and children in a crash, yet car crashes are a leading cause of death for children ages 1 to 13. That is why it is so important to choose and use the right car seat correctly every time your child is in the car.

Please stop down if you would like your child's infant, convertible, or booster seat checked for proper installation by certified technicians from Southampton Town and Quogue Village Police Department's.
