# WQIP-PROPOSAL SUMMARY SHEET 2023

REDUCTION

**PROJECT APPLICANT:** **Village of North Haven**

**PROJECT TITLE:** **Village Hall – Sanitary System Upgrade**

**PROJECT TYPE:** **Wastewater Treatment Improvement Project**

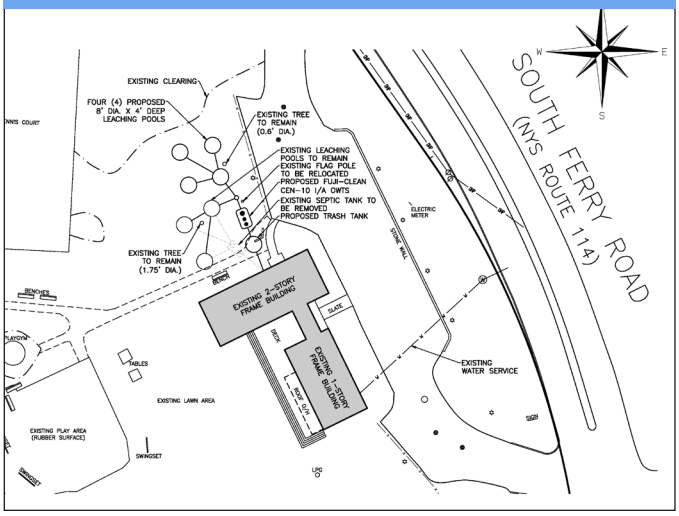
SCALE: Neighborhood/Watershed

APPROACH: Reduction

**DESCRIPTION:**

The proposed project seeks to replace the existing conventional cesspool system the serves Village Hall with a FujiClean CEN-10. In addition, the sanitary improvement will include a new trash tank, sanitary manhole (distribution structure), four (4) 8-foot diameter by four feet (4') deep sanitary leaching pools, piping work and electrical system components. The three (3) existing sanitary leaching structures shall be remediated (cleaned) and remain for re-use. The proposed work also includes site remediation.

**PROPOSED PROJECT**



**MAP OF PROJECT LOCATION**

**REQUESTED AMOUNT:** **$ 73,250.00**
