

**PROJECT APPLICANT:** Westhampton Beach Performing Arts Center

**PROJECT TITLE:** Sanitary Sewer Connection

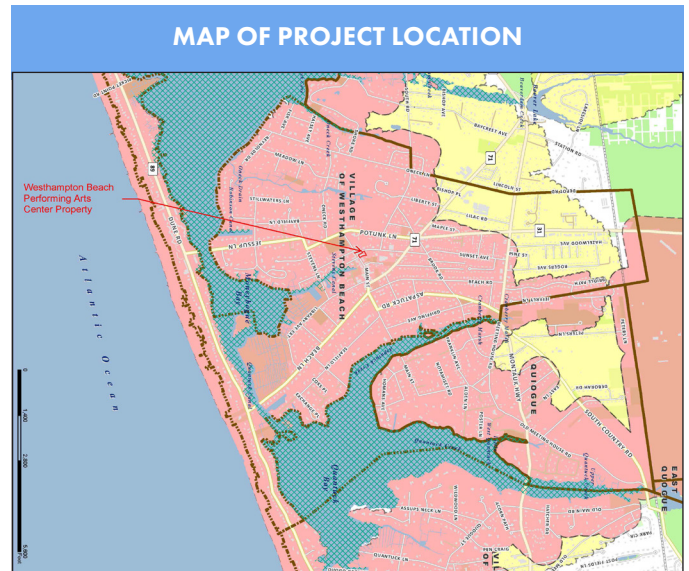

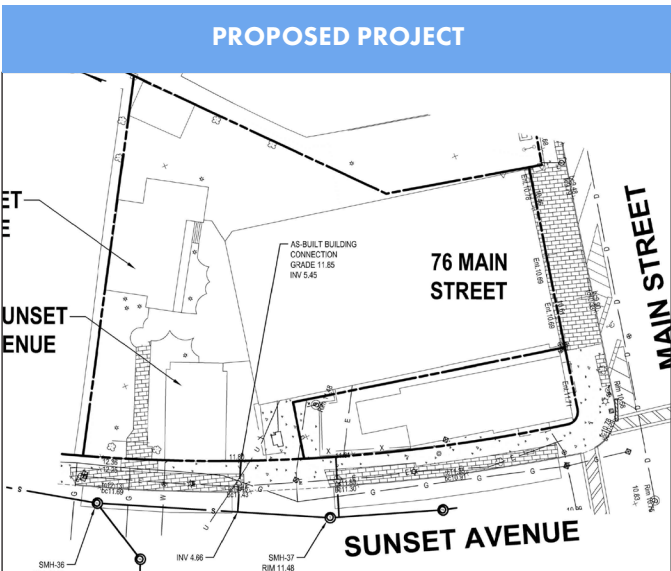

**PROJECT TYPE:** Wastewater Treatment Improvement Project

**SCALE:** Neighborhood/Watershed

**APPROACH:** Reduction

**DESCRIPTION:**

The Westhampton Beach Performing Arts Center is looking to install a sanitary sewer building connection to the recently completed Village of Westhampton Beach Phase 1 Sewer System. Specifically, they are looking to install building laterals from the three (3) buildings on site to connect to the lateral stub provided at the right of way under the Village sewer construction project. Flow will be conveyed to the Suffolk County Sewer District No. 24 – Gabreski Sewage Treatment Plant. Through this sewer connection, there will be a reduction in nitrogen from 65mg/L to 10 mg/L – an approximate 85% reduction which would be equivalent to 240 pounds of nitrogen per year.

**REQUESTED AMOUNT:** \$ 18,700.00
