Re: Monthly Progress Report for January 1, 2024 to January 31, 2024
Former Damascus Landfill
East Quogue, New York
NYSDEC BCP Site #C152253

Dear Ms. Sweet,

The Town of Southampton is pleased to submit this progress report to the NYSDEC regarding the investigative activities at the Former Damascus Road Landfill.

Since the previous Progress Report was prepared for the above-referenced site, additional activities that have been completed include the following:

- On January 16, 2024, D&B submitted a letter report to the NYSDEC summarizing the findings of Phase 5 of the RI that included the completion of three off-site vertical profile borings.

In the following month, we plan to perform the following:

- Discuss the findings of Phase 5 with the NYSDEC and NYSDOH
- Advance the RI to Phase 6 which includes the installation of off-site groundwater monitoring wells.

Please feel free to contact me at (631) 283-6055 x 1865 if you have any questions.

Respectfully,
