

Water Mill Citizens Advisory Committee  
PO Box 880  
Water Mill, NY, 11976

Minutes for March 13, 2023

Members: Steve Abramson, Rik Kristiansson, Karen Sutton, Paul Griffin, Alan Harper, Rachel Verno

Guests: Bob Macris, Olivia Motch

Minutes for January 9th, 2023 were approved. No meeting in February.

**MILLPOND:**

- Bob Macris will be taking over chairing the Mill Pond Committee.
- Ann Welker provided an update via email.
- Lily pad bid went out for a second round and is due back 3/15. Bid will be awarded at the 3/20 Trustee meeting and work will be performed between 7/1 and 9/1.
- The Water Quality Committee approved fishery survey funds being reallocated from carp removal funds. The survey will be treated as a professional service and quotes are being solicited. The WQ Committee has requested that local vendors be considered. Best efforts will be made. The Town Board will be presented with a resolution. The survey will take place late spring or early summer 2023.
- Carp removal for 2023 will be determined by results of the fishery survey. The CAC discussed whether Carp Solutions has reserved time for us this year if the fishery survey is deemed necessary. Bob Macris will send Ann an email asking her for confirmation of this.
- Permits are in the process of being obtained for lily pad removal.

**OTHER BUSINESS:**

- Karen was invited to sit of the CPH Committee.
- Discussed our mailing list, how to be able to have people add their names. Karen and Steve will do some research into our existing system.
- Discussed new Trustee candidates, three incumbents will not be running next year.
- Chris LaGuardia will be our guest in April.
- Discussed sidewalks and crosswalks, both existing and potential new location near Cobb Road and the park.
- Would like to contact the appropriate person within the police department and the DOT to discuss installing a speed monitor as you enter the hamlet heading east. The location would be around Cobb Road so maybe this ties into a crosswalk at that location.
