

PROJECT APPLICANT: The Patio Building Condominium Corporation

PROJECT TITLE: Sewer System Installation

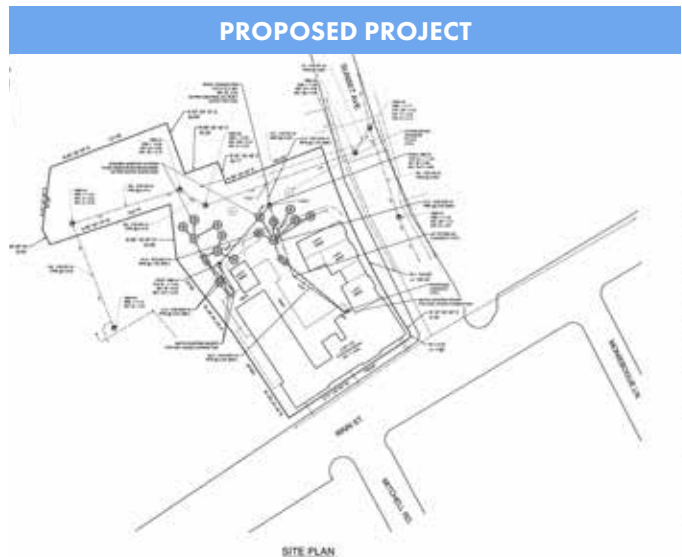

PROJECT TYPE: Wastewater Treatment Project

SCALE: Neighborhood/Watershed

APPROACH: Reduction

DESCRIPTION:

The Patio Building Condominium Corporation seeks funding to install sanitary sewer infrastructure that will enable it to connect to the Suffolk County Sewer District #24 (SCSD #24) – Gabreski Airport. They will install a sewer connection that will convey sanitary wastewater from the building’s 10 residential and 13 commercial units to the SCSD #24 Sewage Treatment Plant (STP). The entire property is located within the 0-2 year groundwater contributing area as defined by the Town of Southampton Water Quality Improvement Project Plan. Once complete, there will be no nitrogen entering the groundwater from the site. This results in a reduction of an estimated 335.8 pounds of nitrogen per year.

REQUESTED AMOUNT: \$180,245.00
