## **Departmental Mission & Responsibilities:**

The area located outside the Village of Sag Harbor and outside the jurisdictional boundaries of the North Sea Fire District and Bridgehampton Fire District.

## **Workload:**

The Town Comptroller acts as the Fiduciary for the Fire Protection Districts. The Town Board acts as the Commissioners for the Fire Protection Districts.

In the past, there were other Fire Protection Districts established by the Town Board for "outlying areas" - i.e. service areas lying outside the village or hamlet centers. Over time, these special improvement districts were dissolved, as the "outlying area" developed from one comprised primarily of wilderness and farms to more densely populated settlement area, and Fire District boundaries were legally modified pursuant to Town Law. In some cases, a Joint Fire District was established to unify multiple service areas and simplify contracting process for a uniform tax rate throughout the historic service area, previously administered by the Village of Westhampton Beach.

In addition, there are seven Fire Districts in the Town of Southampton, each with their own elected Board of Fire Commissioners: Westhampton Beach Fire District; Flanders Fire District, East Quogue Fire District, Hampton Bays Fire District, Southampton Fire District, Bridgehampton Fire District and Riverhead Fire District, which covers the Riverside area.

## **Goals & Objectives:**

The Village of Sag Harbor traditionally contracts with the Town of Southampton for the Noyac Fire Protection District and Bay Point Fire Protection District service requirements, which include community ambulance services.

## **Legal Authority:**

Fire Protection Districts have been established by the Town Board, pursuant to Town Law.
