(Please Print)

I certify that the solder used in the water supply system contains less than 2/10 of 1% lead as per 605.15.3 of the Plumbing Code of New York State.

I also certify that I installed an anti-scald and/or thermal shock preventing device at all bathing and/or showering fixtures in conformance with section 424 of the Plumbing Code of New York State, to mitigate the potential hazards due to shower valves that allowed surges of high temperature water to flow from the shower head.

Please Check One.

- I certify I am the licensed plumber (License # _____) that installed all of the plumbing on the above referenced premises.
- I certify I am the homeowner and I personally installed all the plumbing on my above referenced premises.
